

Scavenger Hunt

It's time for a scavenger hunt! Here's the scoop:

1. All pages of MyFunTeacher.com, except for students' web pages (where stories are published) might contain a hidden treasure.
2. All images are hiding in plain sight. The images do not blend in or mix on the page that they are hidden. For example, music notes will not be on a musically themed page.
3. Fill out this paper or email your answers (the items and their locations) with your name to Miss Powell.
4. Successful scavengers will be featured on the "Scavenger Hunt" page of MyFunTeacher.com.

Good luck! This is what you are looking for:

	bee	
	groundhog

	teddy bear
